Aviation Tours - Terms & Conditions

Tour costs are based on a minimum number of 14 passengers. Should numbers not reach 14 we reserve the right to cancel the tour and a full refund will be made. There will be no further obligation on the part of Aviation Tours NZ. For passengers travelling alone, a single supplement is payable, or there is the possibility of a same sex room share. If you cannot be matched, the single supplement is payable.

A reasonable level of fitness is required to make the most of the museums and sightseeing. Due to the nature of some of our hotels you may be expected to manage a set of stairs, however, there will be portage for your luggage on these occasions. Some hotels have showers over the bath. Twin rooms will have separate beds, but these are sometimes still quite close together.

If improvements can be made to the itinerary or circumstances beyond our control make it necessary to make any changes, we reserve the right to do so.

Notice of cancellation must be in writing. Changes to any flights ticketed will incur charges.

After final balance has been paid, the following scale of charges will apply.

For cancellations, we regret that we are not able to make refunds against any unused part of the tour. It is therefore essential that you have enough insurance to cover your loss.
